Planting and Harvesting

Here it is June and now the “dry heat” begins. Everything we experience until the High Holidays in September is not about the heat but about the continuity of life’s journey. It seems that we count time by the holidays which include the change of

seasons. For me, it seems that the calendar flies by from one holiday to the next. Additionally, I see the plants start to bloom, the trees begin to blossom, and the earth come alive after sleeping all winter.

Our lives also concentrate on planting and harvesting. When we start out, we plant the seeds of our future by our actions and deeds. The growth that occurs is determined by the fertilizer we use and the water needed to assist in the development of that which has been planted.

Just what is the fertilizer? It consists of traditions and customs. It contains environment and habits that are learned from these exposures. As we get older, we discard some and develop others. That is part of growth. As with that which is planted, growth too accepts the environment that surrounds it, discarding some foliage and growing replacements. Life imitates nature as nature imitates human life. They are inseparable.

What is the water that sustains us? For vegetation it is rain. For us it is the water of knowledge and the benefits of exchange of ideas. It is allowing our minds to expand to absorb all that is around us, such as the plants do as they drink up the flow from springs and rivers.

Perhaps this is a circuitous way of explaining my thoughts for this time of the year – the time for relaxation – the time for slowing down – the time for planning, and the time for thoughts about our congregation.

We are a viable institution of learning and praying. We are also a collection of philanthropic and social individuals committed to the continuity of our heritage

and faith. “We” happened because many dedicated people saw the need, answered the call and began a process that has changed with time. It is a living place with living emotions, living needs, living wants and desires. And we all share the pains that come with time: the loss of a loved one, the joy of celebrations. Through it all we see each other as we are, not as we think we should be.

We pitch in when needed and step back when it seems appropriate. We laugh, we cry, we interfere sometimes, we listen to things that really are insignificant. When we come together as a congregation, we understand that we are one with each other because we cannot do without each other, even those we may not be so fond of.

All of us make sacrifices in different ways. For example, when our congregation needs stability, we look for those with experience to teach us how to learn from the past to ensure the future. When our congregation has financial needs because of demographics which either take people away or find members distancing themselves because of ailments, we should be willing to come forward and help. Synagogues go through cycles as we do – we nurture (plant seeds), we feed (bring life to our experiences), we gather (harvest) our resources to give us the nourishment needed for our future.

We are planting seeds, we are watering that which we are planting, and we will harvest a crop that will be fulfilling to ourselves, to our congregation, and most of all to God.

Be safe this summer. Come back to a stronger and more secure congregation. My prayer is that the upcoming High Holidays will find us more in tune with each other so that our mission to bring a fruitful Jewish experience to the Southeast Valley and beyond will find success. 🏠

Our June service, in addition to saying farewell to some, will feature our Annual Healing Service, designed to assist us in coping with ailments and helping others to come together to offer comfort with our prayers.

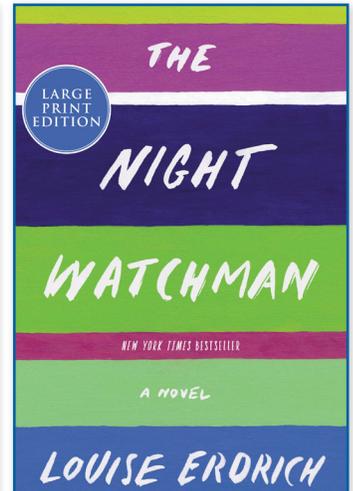

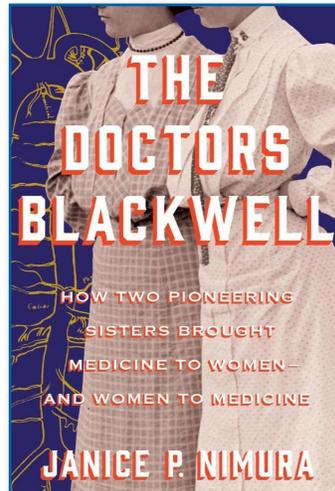

DEVORAH HADASSAH

The first Monday of each month is our Out to Lunch. A different restaurant is chosen each month. On Wednesday, June 1, Devorah Hadassah will lunch at Tao Gardens in Chandler.

The second Wednesday of each month is our book group called Literary Ladies held on Zoom at 1:30 pm. These are the books we will be discussing over the summer:

- June: *The Doctors Blackwell* by Janice P. Nimura
- July: *The Night Watchman* by Louise Erdrich

The third Wednesday of each month between 11 am and 1 pm, we collect non-perishable food for JFCS (Jewish Family & Children's Services) in various communities in the East Valley. The fourth Wednesday of each month we have our general meetings via Zoom. Chick Flicks is the name of our movie group. The dates and movies vary each month, but include a discussion of the film via Zoom.

For more information on attending our events, please contact Eliana Bar-Shalom at (860) 377-7126 or ebarshalom.eb@gmail.com.

Israel's Population Grows to 9,500,000

Israel's population grew by 160,000 last year. 74% are Jewish, about 20% are Arab and 5% are others, including non-Arab Christians and other not designated by religion. 83% was generational growth while 17% was from immigration. 184,00 babies were born, 73% to Jewish mothers. and 12.4% from Ukraine. From Israel Independence Day 2021 to the same day 2022, 42,675 made Aliyah, shattering a 20-year record. Since 1948, 3,372,035 Jews have made Aliyah to Israel.

PRESIDENT'S MESSAGE

SHELLY HENDEN

See You Again In September

This will be my last message until September. I want to wish you all a safe and healthy summer. Try and stay cool to those of you who remain here. We look forward to our in-person High Holiday Services when we

gather in late September.

Please, DO NOT hesitate to reach out to me with any concerns that you may have. I am only a phone call away!

I want to thank those of you that attended our fundraiser at BJ's restaurant. It was delightful to see so many familiar faces. Speaking of fundraisers, we are trying our best to run a balanced budget and in that tone I have to announce that we will be raising our dues by \$25 per member for the upcoming year. See the letter from the Board of Directors.

Our next regular service will be June 10th and will be a Healing Service as well. Again for those of you that can't make our evening service, it will be available on YouTube on June 17th. There will be Twilight Services as always in July, August and this year in September. (Because the High

Holidays are so late in September, we plan to gather for a short service to welcome back our members who were away for the summer — we lucky dogs). All Twilight Services will be held in the Chapel at 5:30 pm.

I will be working on honors for the High Holidays and again urge you to call me (my home phone which will be automatically forwarding) at (480) 895-8851 if you want to participate in any of the services. As I have said before, it would make my job a lot easier!

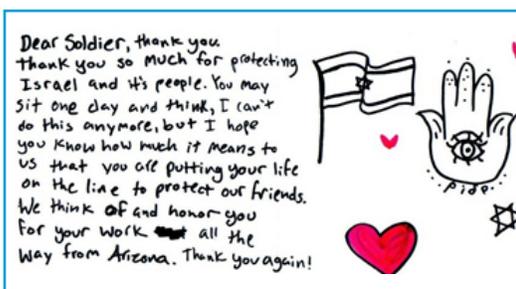

We are always looking for congregants to get involved and one particular way is through the Ritual Committee. We work with the Rabbi to design the focus and content of every service. We all come from a broad range of Jewish experiences. Therefore, we want to assure that our services reflect this diversity and leave everyone as fulfilled as possible from our praying together. Please consider joining the Ritual Committee to help satisfy this goal. Just please give me a call about this committee or any other that you would consider being a part of as your participation will help keep this congregation a strong and surviving one.

Again, Arnie and I want to wish you all good health and a safe summer. We look forward to seeing you again in September, as the song goes! 🕯️

BOARD OF DIRECTORS MESSAGE

Dear Fellow Congregant,

As you may know, Sun Lakes Congregation has not raised dues for the past five years, even though our expenses have risen drastically due to a number of issues (such as the technical support needed to tape and deliver services during COVID as well as the decline of volunteers to carry out required services necessitating paid replacements). Even with the generosity of many congregants, we find it necessary to raise dues at this time.

Our dues will go up \$25 per person, from \$175 to \$200. The budget for our new fiscal year, starting July 1st, reflects this increase and we hope you will support this change.

Please consider this letter your “invoice” and plan to send in your check in a timely manner. Enclosed in this mailing

you will also find some reminders and sign-up forms for our Break-the-Fast event and the Book of Remembrance flyer, as well as a membership form to be sure our database stays current with your address, phone number, and yahrzeit information.

We have come through a major challenge to our congregation, our services, and our leadership. COVID tested us all. Now we hope we have seen the worst of it, but some of the changes we have made will be ongoing as our membership continues to age. We look forward to a wonderful new year with many occasions to be together and we wish everyone a healthy, safe future.

Sincerely,

The Board of Directors

SOMETHING YOU MIGHT NOT KNOW

SCOTUS NOMINATIONS

By Murray Siegel

Recent hearings of the U.S. Senate Judiciary Committee to evaluate nominees to the U.S. Supreme Court (SCOTUS) have been a serious disappointment to many Americans. If asked why these hearings are held, many respondents would claim that the hearings are required by the Constitution. That answer is incorrect, since the Constitution requires that presidential appointments to offices such as SCOTUS be made with the advice and consent of the Senate. Thus, hearings are not required.

In fact, from 1789 until 1916, only once was a Senate hearing held for a SCOTUS appointment. This was during the Grant administration and the investigation led to the nominee requesting that his name be withdrawn.

What happened in 1916? President Wilson nominated Louis Brandeis, a progressive attorney who had advocated for workers' rights and privacy protection. Republicans in the Senate demanded confirmation hearings, claiming that Brandeis was a socialist and a radical. Actually, he was the first Jew to be nominated for elevation to the high court. It took four months (still a record) to have the vote on the confirmation,

and Brandeis was confirmed by a vote of 47 to 22. He served 23 years on the court and is considered a major influence on U.S. law.

Other Jews serving on SCOTUS include Benjamin Cardozo, Felix Frankfurter, Arthur Goldberg, Abe Fortas, Ruth Bader Ginsburg, Stephen Breyer and Elena Kagan. It must be noted that prior to the death of Justice Scalia, all nine members of the Court were either Catholic or Jewish.

NEW CHAPEL ENTRY

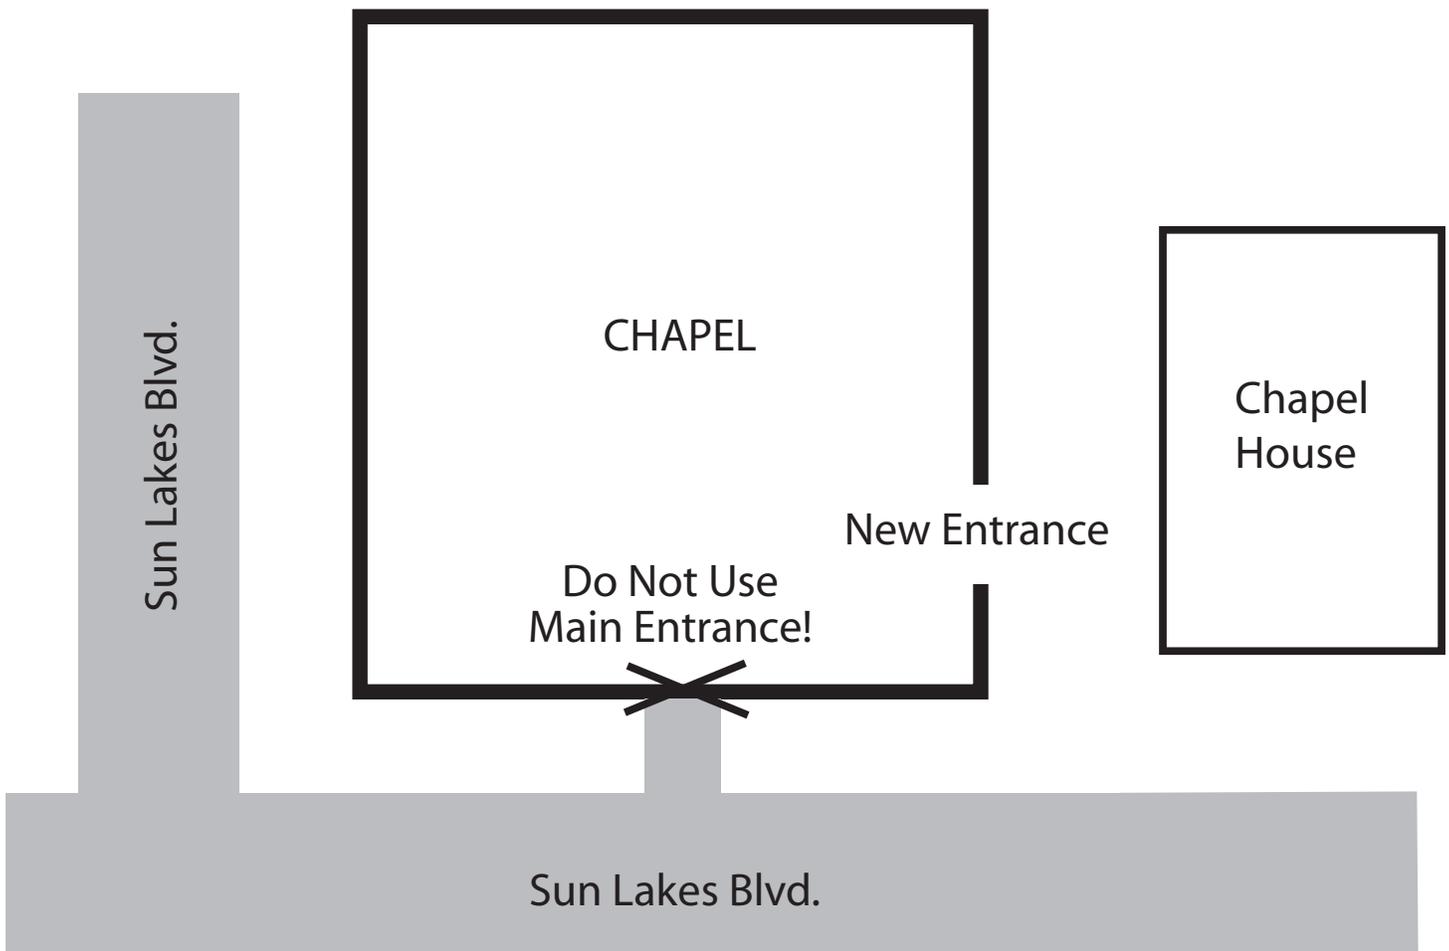

The Arizona Rangers strongly suggest that we move the entrance of the Chapel for future services to the side door (opposite the Chapel House parking lot) and lock all other doors for several reasons:

- It's easier for people to come in from any parking lot (back lot, handicapped lot, or lot across the street).
- It's easier for people with disabilities to enter through the side door.
- It's easier for anyone needing extra help to be picked up via the handicapped parking lot.

- It's already where the choir comes in.
- It's safer for the Rangers to be out of harm's way should a gunman attack, and they will be better able to protect us.

Given the recent attack on a church and the continuing uptick of antisemitism, we should follow their advice. (The Rangers would continue to provide safe crossing for anyone parked in the lot across the street.)

JEWISH WAR VETERANS COPPER STATE POST 619

JWV VOLUNTEERS TO HOST BARBECUE FOR VETERANS AT MANA HOUSE

Thursday, June 2, 3:30 pm, Mana House, Phoenix | Sunday, June 19, 9:30 am, Oakwood Country Club, Sun Lakes

▷ Jewish War Veterans Copper State Post 619, 2022-23 recently installed Board of Directors.

Left to Rt: Arthur Fink, Chaplain; Ron Siegel, Judge Advocate; Chuck Wolin, Commander; Ron Buckner, Past Commander; Elliott Reiss, Jr. Vice Commander; Joyce Spartonos, Communications; Kevin Murphy, Hospitality; Owen Fabert, Sr. Vice Commander; Gabrielle Forsberg, Chief of Staff; Bob Brooks, Quartermaster; Rhonda Berns, Secretary/Historian.

Absent from Photo: Bernie Lieberman, Jr. Vice Commander, Dr. Michael Levitt, Surgeon; Art Sharf and Leo Pessin, Past Commanders.

On Thursday, June 2, Jewish War Veterans Post 619 will host a barbecue for 60 to 70 veterans experiencing homelessness at MANA (Marine, Army, Navy, Air Force) House, a transitional facility in Phoenix. MANA House is a peer-support organization of homeless and formerly homeless veterans. The Home helps support veterans to rebuild their lives by providing support from its staff and partners.

Volunteers are needed to flip burgers and talk to the veterans to show them we care. More help is always needed. You don't have to be a renowned chef to flip burgers. Just sit and listen. All the vets really want is a sympathetic ear.

Sixteen members from Post 619 are currently signed up to attend. "The most important part of this is the time we will spend just talking to the veterans," notes Commander, Chuck Wolin. "I've always come home with a feeling of satisfaction," he says with pride.

Carpools will meet at 2:30 pm in Ace Hardware parking lot, 9666 E Riggs Rd. in Sun Lakes. To volunteer, contact Elliott Reiss (480) 802-3281 or elliottbarb@q.com.

Sunday, June 19 will be the Post's final meeting for 2021-2022 fiscal year. The meeting will take place at Oakwood Country Club, Poolside Card Room, 24218 S. Oakwood Blvd, Sun Lakes. Bagels, lox, coffee, and "meet and greet" start at 9:30 am. The meeting begins at 10 am. There is no charge, but to partake in the food, a reservation is required by 5 pm, Friday, June 17 by contacting Joyce Spartonos joytoyspartonos@aol.com or (480) 802-4902.

Instead of a speaker, pins will be awarded to members who have five or more years in the JWV. The meeting will then focus on future activities and goals for the coming year.

Top Tips for Better WiFi

Number 5: Router placement matters.
Walls and other barriers can impede your WiFi signal. Place for your router is a central location with as few obstacles as possible between the modem and your connected devices. Locate it high off the floor, and away from metal objects and other electronic devices that can interfere with your WiFi signal.

Number 4: Be aware of what devices are connected to your network and their internet speed capabilities.
More devices connected at once means less bandwidth is available for each device. And some devices can't keep up with faster WiFi speeds, which slows down all the others.

Number 3: Close WiFi hungry applications when you're not using them.
Leaving some programs open, like those used for online streaming or video games, will use up bandwidth, even after you've finished using them.

Number 2: Protect your network with a strong password.
Choosing a secure WPA or WPA 2 password will protect your personal information, and keep other people from using your bandwidth, thus slowing your WiFi speeds.

Tip Number 1: Upgrade your hardware.
Today's all-in-one dual band routers deliver much faster WiFi speeds to more devices.
