## **Message from Our Rabbi**

### **Shalom**

There is a song that was written in the 1960's or 1970's titled "Shalom, Shalom." The words are not only meaningful, but they are eternal as well:

"Shalom, shalom, we say shalom, the nicest greeting I know.  
It means bonjour, salud, and skoal, and twice as much as hello.  
It means a million lovely things, like peace be yours, welcome home.  
And even when you say goodbye with Shalom."

Of course, there are more lyrics. It was a song made famous in the Broadway show, "Milk and Honey." The music is just as inviting, as are the lyrics. How could you not fall in love with the sentiments expressed?

I thought of this when I began to wonder as to why people are encouraged to identify with a particular faith and the house of worship associated with that belief. We know that many people become involved for various reasons. However, I firmly believe that the essence of the participation rests with the understanding that we are connected to each other in more ways than just being human beings.

We join with our co-religionists because there is a comfort in sitting in the pews, reciting the prayers, with all who seek the solace of a spiritual adventure. It really cannot be put into words because to properly understand the feelings would require untold hours and untold explanations.

Suffice it to say, we are here because our destinies are intertwined with each other. We are here because the generations that preceded us did the very same thing, for the very same reasons. Even the next generation, a little more removed from the history, will still gather together and repeat the same words, and experience the same feeling of accomplishment that we do now.

And yet, I find it difficult to understand the reluctance of many to remain apart. The latest statistics indicate that, in Greater Phoenix area, 76% of the Jewish population remains unaffiliated. Just think, only 24% are involved in sustaining Jewish life. Sad to say that the percentages have risen year after year.

So, when we take the time to honor those who have chosen to be part of our spiritual adventure, we are also rejoicing over our continuity and survival. In this age of disconnection, when we seem to be more divided than ever, it is remarkable that we are still able to offer tradition and modernity enhancing our religious experience. What is even more remarkable is that we continue to grow and fill the Chapel.

Our many activities testify to our ability to blend the old with the new, giving everyone an opportunity to sample and rejoice in our heritage. We are able to make our time together relevant, even as we sometimes feel irrelevant. Most of all, we feel complete when our experience ends because we have been both in a time warp consisting of the past, as well as a glimpse into the future.

This month we will celebrate and commemorate the new additions to our Temple family. We are honored that they have chosen to be part of us and we pray that their affiliation will be both rewarding and fulfilling. It will also recognize the many participants expending the energy to encourage all to enjoy all that we are.

With a New Year, we begin a new chapter in our history as a congregation. Our arms are open and welcoming. Our spirits lifted because of a new anticipation of things yet to be. Our hearts are filled with gladness because we are able to share our joy in reaching new heights in our journey of survival.

The Torah portion we read this month, Beresheet, signifies the beginning of everything. Perhaps we too will begin to understand the true meaning of love, sacrifice, reward, and fulfillment as signified by our commitment to the House we built together, and will continue to build for the future.

Rabbi Irwin Wiener, D.D.

### **Cantorial Notes – A Song for Succot**

Sukkot (The feast of Tabernacles) is one of the three pilgrimage festivals that commemorates our wandering in the desert after the Exodus from Egypt. During this holiday we build temporary shelters (booths) in remembrance of those that Hebrews lived in for 40 years while they crossed the Sinai desert after leaving Egypt. In accordance with instructions in Leviticus 23:42-43, Jews are instructed to “live in the sukkah for seven days, so your descendants will remember that I [the Lord] had the Israelites live in wilderness shelters when I brought them out of Egypt.” Sukkot is celebrated over a seven-day period and all meals are eaten inside the booth. While in the sukkah, Jews are instructed to hold and wave four plants: hadas (leaves from the myrtle tree), aravah (leaves from the willow tree), etrog (fruit of the citron tree) and lulav (palm frond). The practice is outlined in Leviticus 23:40: "On the first day you shall take the product of goodly trees, branches of palm trees, boughs of leafy trees, and willows of the brook, and you shall rejoice before the Lord your God for seven days." There are blessings that accompany the ritual of holding and shaking these plants and it is also customary to socialize and sing songs in this structure.

One of my favorite songs for Sukkot is Ufros Aleinu. In Hebrew it is simply “Ufros aleinu sukat sh'lomecha” and in English “spread over us your tabernacle of peace.” I like these lyrics for Sukkot as it helps to channel our feeling of God’s protection as we spend time in our sukkah and/or contemplate the Israelites wandering in the desert and living in temporary structures. Just as the Israelites needed God’s protection then, so do we still need God’s protection and the sense of peace that comes from knowing His shelter is always available to us. Whether it is a symbolic tabernacle of peace that is spread over us in prayer or the physical tabernacles or booths of Sukkot, the result is the same...a community that is drawn together and sheltered in the love of God.

Chag Sameach! Cantor Ronda

## **President's Message**

As we begin the year 5776 I want to thank everyone involved in creating the wonderful SLJC services that were held for the High Holidays. Rabbi Wiener's words to us held great meaning, Ronda's cantorial melodies and Lana's musical selections and choir brought a special meaning to our high holiday services. The Ritual Committee and Gabbaim helped to make the service run smoothly and allowed each of us to take the time to reflect on the year gone by and on the upcoming year. Jan Simez, the cellist from the Phoenix Symphony, brought his beautiful playing to our service. Shay's accompaniment and Mark Salita's notes added to the beautiful melodies. Our soloists made the music speak to us. I would also like to thank Sandi Jennings for orchestrating tickets for the high holidays, Alex Polesky for his set up and audio support, the Men's Club for the food drive, and the Patrol for keeping us safe. I would like to thank Joel Goldman for making sure we had air conditioning that was cool after a very warm service on Rosh Hashanah evening.

SLJC is embarking on a membership drive this year. On October 18<sup>th</sup> from 2:00 p.m. to 4:00 p.m. in the Chapel Center, the SLJC BOD and Committee chairs will welcome prospective and new members to SLJC. Important information on who to call for upcoming events and auxiliary organizations will be presented. If you have not attended a welcome or know of any individuals who might be interested, please encourage them to come to the come. RSVP's should be made to Doris Codkind at [rondor55@gmail.com](mailto:rondor55@gmail.com). Look for other events and membership outreach efforts in the Shpiel each month.

The SLJC Congregational Meeting will be held on Thursday October 29<sup>th</sup> at 7:00 pm in the Chapel Center. I will give a report on the congregation in conjunction with our Treasurer Michael Dar. The Nominating Committee will present the slate of candidates and the candidates will each give a short overview of their qualifications and reasons for wanting to join the board of directors. A vote on the slate will be taken unless there are nominations from the floor at the time of the meeting.

The trip to Israel hosted by Rabbi Irwin and Sandi Wiener and Michael and Bety Dar is in the final stages of planning. Itinerary and costs are provided on page 18 of this Shpiel. Currently there are 40 participants. If you are interested in joining this special trip please contact Bety Dar immediately as there are only a few slots left. A conversational Hebrew class, for the group, will begin in mid-October. The group will also be planting trees in Israel. If you are not going on the trip but would like to have a tree planted in someone's name please contact Bety Dar.

The SLJC BOD is conducting a survey to obtain demographic and other feedback from our congregants in order that the BOD learn what the congregants desire, and to hear ideas for new programs or revisions to our current or future programs. You will receive it this week either electronically, or by U.S. mail if you don't have e-mail. Each person or household is requested to fill out the questionnaire and provide comments. It is important. Please take the time to fill out the survey and add your ideas and comments. Surveys can be filled out electronically and sent to me at [Wende@his.com](mailto:Wende@his.com), or sent to me via the US mail. If sending by mail my address is Wende Levy, 23821 S. Dobson Dr., Sun Lakes, AZ 85248.

## Nominating Committee Report

Geri Gould chaired the 2015 nominating committee to identify candidates for five SLJC Board positions beginning January 2016. Committee members included Sandy Jennings, Joyce Spantonos, Lana Oyer, and Jeff Burnce.

We met June 18, 2015, and spent several hours discussing what criteria would be useful assets for potential members, and then generated a list of some 15 potential candidates. After further discussion, we prioritized the candidates and then began to make phone calls to determine willingness to serve. Fortunately, in very short order, we had three individuals who accepted the challenge and will represent our slate. In September one of the candidates had to withdraw. The candidates are Doris Codkind, and Betsey Silverman. In addition Marty Silverman and Wende Levy will be running for re-election. The process also includes seeking open nominations from the floor during the annual Congregational Meeting scheduled for Oct. 29<sup>th</sup>. The remaining board position will remain vacant until January when, in accordance with the SLJC Bylaws, a person may be appointed to fill a specific role needed on the board.

During the Congregational Meeting, each of these two candidates will deliver a short bio describing their connection to SLJC and their interest in serving the BOD. Assuming no other nominations arise from the floor, the plan is to have them elected as a slate that night and then be invited to attend the November board meeting to transition and to get a grasp of the roles of the officers so that election of officers of the BOD can take place during the December 2015 meeting.

## **Help Fund our Oneg Shabbats**

Last year, Nancy Stutman began a great tradition of soliciting donations to help defray the costs of our monthly Oneg Shabbats. She was very successful, for which we are so appreciative. This year we would like to continue this tradition by asking you to make a donation in your birthday or anniversary month, or in honor of a simcha in your life. So far, several generous congregants have agreed to take the lead in the month of October by making gifts of anything from \$10, \$25, \$50, or more. Won't you join them and be recognized as an honoree?

If you would like to do so, please send your contribution, including the month for which you would like to be recognized, payable to SLJC and sent to Geri Gould. We would appreciate your support at least one month before the date of the particular Oneg Shabbat that is especially meaningful to you.

Thank you so much for your consideration. We know we can have another great year by joining forces.

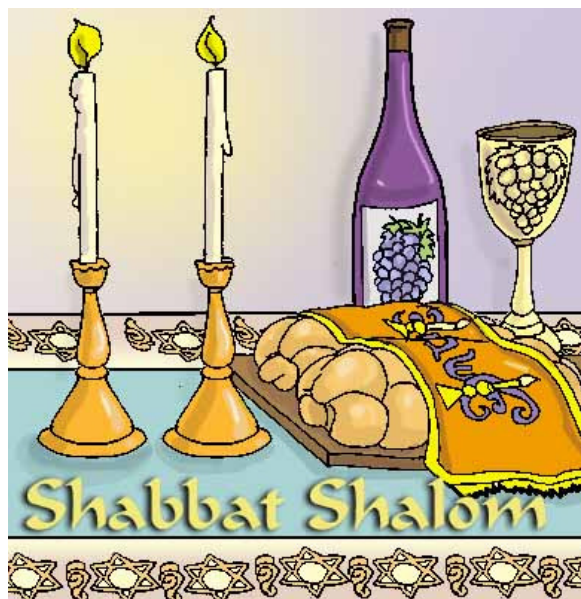

## **Paper Copies of The Shpiel**

Publishing the Shpiel electronically will have saved the congregation nearly \$5000 last year, which has been a major contributor to a balanced budget for SLJC. In addition, the electronic version is easier to create, easier to edit, easier to read, and much more colorful than a black-and-white paper copy. Congregants who don't have email capability receive a paper copy of the Shpiel for free. However, some congregants who receive the Shpiel electronically have chosen optionally also to receive a paper copy by snail mail for a fee of \$25/year, which barely covers the cost of printing and postage. If you want the optional paper copy starting with the November 1 issue, please send a check for \$20 by October 15 to

Mark Salita, 23602 S. Emerald Ct., Sun Lakes, AZ, 85248,  
made out to **Sun Lakes Jewish Congregation.**

## **Not Receiving The Shpiel or Eblasts Electronically?**

Some congregants are having trouble receiving SLJC news from the new website address, possibly because some email providers are sending the messages straight to Spam. If any SLJC member you know is having this problem, tell them to add [sljcomm@gmail.com](mailto:sljcomm@gmail.com) to their contacts list, and add SLJC News to the name field in the contact.

## Men's Club of Sun Lakes Jewish Congregation

Our latest President, Paul Herman has resigned and we are looking for a new President. This is a very rewarding position, and the President of the Men's club is automatically on the SLJC Board. Please contact Sy Evans if you are interested (480-883-1044 or [cuznsy@mac.com](mailto:cuznsy@mac.com)). We thank Paul for his past services to the club and wish him well. He will be missed.

Our annual Yom Kippur food drive was again a success this year. Our thanks to Sheldon Kruger, Gary Hasenfus, Art Fink and Michael Dar for helping out.

Sy Evans arranged our annual bagel and lox breakfast which was held on Sunday, September 27 at Chompies. It was well attended and a good time was had by all.

The next regular meeting will be held on Tuesday, October 6. Our Speaker will be Tamara Barnett, who is the niece of Jerry Feldman. Tamara is the Deputy County Attorney at the Maricopa County Attorney's office. She will have many interesting and humorous stories.

On Tuesday, November 3, our speaker will be Chandler Mayor Jay Tibshraeny. Mayor Tibshraeny is no stranger to the Men's Club as he has spoken at our meetings in past years and always has an interesting story to tell.

As usual, our meetings will take place at the Chapel Center and will begin with a social period at 6:30 and with the speaker at 7:00.

Please send the form below and your membership check for \$30 payable to the SLJC Men's Club to:

### Jewish War Veterans (JWV)

The members of Post 619 Jewish War Veterans in Sun Lakes will be meeting at 9:30 a.m. Oct 18 in the Mirror Room of the Sun Lakes Country Club. The speaker will be Yuri McKee, MD who is a cataract and corneal specialist in Mesa, AZ. Prior to his pursuit of Ophthalmology he was an active duty USAF Flight Surgeon for 6 years of his 11 year Air Force career. Dr McKee was stationed overseas for 4 years with two combat tours in the Middle East. In addition to contingency operations Dr McKee also volunteered for humanitarian missions. In 2004 Dr McKee was the medical director for Joint Recovery Mission #33 to North Korea. During the 30 day mission he camped on the East side of the Chosin Reservoir while conducting recovery operations with the Joint POW/MIA Recovery Command. The board meets each month and contributed to many Veterans causes. The post is active all year long and inquiries are answered all year long from any person regardless of race, religion, or gender. Many participants in the post are not Jewish but want to help veterans, and this post works tirelessly to help homeless and in-need veterans with many persons taking part in the Maricopa StandDown in February. For information on the post, call Paul Herman 480-659-2998; for reservations for the brunch that precedes the meeting, contact Donna Liebowitz at 480-883-3153 or [bananabunny@centurylink.net](mailto:bananabunny@centurylink.net).

## Sisterhood

Sun Lakes Sisterhood is up and running for this year. For example, at our first meeting on October 15, we've got a great program planned. Gwen Tierney, a docent from the Phoenix Art Museum, will be presenting a program (with slides) on the Fashions of Downton Abbey and the changing World of Fashion. Her talk highlights the glamorous fashions adorning the aristocratic Crawley family and the functional clothes worn by their staff. Gwen joined the docent program at the museum in 1999 and has been an active participant ever since. Her recent focus has been on the Fashion Design Gallery. We know you will all love this program.

That date is also our New Member luncheon. So, anyone who has never been a member before will be invited to that luncheon, which precedes the business/program meeting. As usual, the meeting will be at the Chapel Center, starting at 1:00 pm. But you have to let us know who you are if you want to be included. Call Anita at 895-8203 or Norma at 631-889-2048.

The Board would like to take this opportunity to thank some of the members of the business community who graciously and generously contributed goods and/or funds to our Card Party last February. A partial list is: Dr. Edward Tokatlian/Associated Internists of Ahwatukee; MICA Creek-Sagamore Capital Partners, LLC.; Millennium Lighting LLC; Rue Bax; Dr. Scott Kriener/Ahwatukee Sports & Spine; Jim McFazden, Border States Industries, Inc; Dr. Randall Porter/Neurological Associates, LTD; Debi Rizzo/L'mage Salon Studios; Kellis Nails; Alex the Salon; Southwest Jewelry & Coin; Jeffrey S. Garelick, D.D.S./Ocotillo Dental Care, P.C.

Two important dates to put on your calendars now - February 2, 2016 is Card Party. Planning for that is well under way. Also in February, Sisterhood Shabbat is on Friday the 12th. Start thinking about how you would like to help on that.

Ladies, don't forget to send your dues (\$25.00) to Phyllis Mandel. Phyllis also collects for Toys for the Heart (see donation form on page 8).

WHY is Hadassah such an important women's organization? Besides the social aspect of getting together, Hadassah is a force to be reckoned with when it comes to "causes". We are at the forefront of humanitarian aid because of the money raised by women like us as members of Chapters across the country. Every time we hold a fundraising event, we are making a difference in the lives of others.

## SLJC Friends of Israel Host Meir Jolovitz, Past National Director of ZOA

The Sun Lakes Jewish Congregation Friends of Israel will be sponsoring a presentation on Sunday October 25<sup>th</sup> at 3 PM in the Sun Lakes Chapel Center that will include a short video presentation followed by a guest speaker. There is no cost to attend this presentation and anyone in the area is welcome to attend. Light refreshments will be served and there will be NO SOLICITATION of funds.

The video will be from “The Case for Israel: Democracy's Outpost.” which presents a vigorous case for Israel – for its basic right to exist, to protect its citizens from terrorism, and to defend its borders from hostile enemies. It features Alan Dershowitz, Felix Frankfurter Professor of Law at Harvard Law School, who has achieved international distinction as one of Israel's most prominent and articulate advocates.

The guest speaker, Meir Jolovitz, will discuss the video presentation and answer questions from the audience. He is the former National Director of the Zionist Organization of America (ZOA) was born in Israel, and has a Master's Degree in International Relations and Political Theory. His father survived 13 death camps.

In previous presentations he has stated: “The Iran nuclear treaty is worthless because Iran openly intends on violating the agreement”. “There is a misunderstanding about the Middle East. It is not war over territory, it is about the existence of Israel”. “The United Nations' treatment of Israel is unfair. The U. N. is home to 57 Muslim countries where there is no rule of law and they are joined by an equal number of nations who have never known democracy, and they stand in judgment of Israel.”

## News from Israel

An Israeli company “New CO<sub>2</sub> Fuels” has developed a machine that will convert large quantities of CO<sub>2</sub> into oxygen and “syngas” (carbon monoxide and hydrogen) using a process of artificial photosynthesis. The syngas can then be converted into fuel (methanol, ethanol, gasoline), fertilizer (kerosene ammonia, urea), plastics, etc. The process requires a lot of heat, which would be supplied either by solar panels or by installing the machines at places like steel mills, which generate large quantities of wasteful heat. This is a win-win situation, since the mills are already required to reduce their CO<sub>2</sub> emissions. This conversion process is already being used around the world. What makes “New CO<sub>2</sub> Fuels” unique is that its patented technology allows it to convert CO<sub>2</sub> into fuel more efficiently and at lower cost than its competitors can. In 2014, New CO<sub>2</sub> Fuels won the prestigious World Technology Award, presented at the UN.
